Be a **LIFEGUARD**

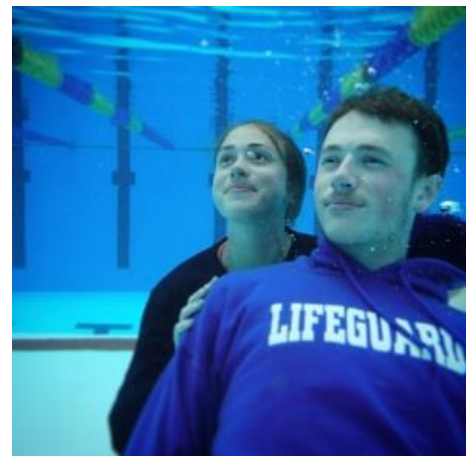

Our team is the main reason I come back to work here every summer. I have never worked in another place where there has been such a sense of team and cooperation. - Lifeguard

Thank you for all your hard work on teaching these young kids! My kids will be swimmers for life with the program at Golden Swimming Pool. Forever grateful! -Parent

- ✓ Impact your community
- ✓ Teach people water survival skills
- ✓ Competitive wages
- ✓ Work outside
